# **TOWN WARRANT**

## **Town of Tuftonboro**

### **State of New Hampshire**

The Polls Will Be Open from 10:00 AM to 6:00 PM

To the Inhabitants of the Town of Tuftonboro in the County of Carroll in said State, qualified to vote on Town Affairs:

You are hereby notified to meet at the Tuftonboro Town House in said Tuftonboro on Tuesday, the twelfth day of March next at 10:00 o'clock in the forenoon to act upon the following subjects:

Articles 1 - 10 will be voted on by Ballot March 12th.

You are hereby notified to meet at the Tuftonboro Central School in said Tuftonboro on Wednesday, the thirteenth day of March next, at 7:30 PM in the evening to act upon the remaining articles:

1. To choose all necessary Town Officers for the year ensuing.
2. Are you in favor of Amendment No. 1 to the Zoning Ordinance as recommended by the Planning Board? This amendment will change the definition of "Boathouse" to "a docking facility which has a permanent roof with or without sides covering the boat slip or slips" in accordance with the State of New Hampshire definition.

Amendment No. 1:

2.1.7 Delete the present definition of Boathouse and replace it with this definition:

Boathouse means a docking facility which has a permanent roof with or without sides covering the boat slip or slips.

3. Are you in favor of Amendment No. 2 to the Zoning Ordinance as recommended by the Planning Board? This amendment will change the definition of Dwelling Unit and create a definition for Duplex. Passage of these new definitions requires "housekeeping" changes to the Zoning Ordinance which are listed below the new definitions.

Amendment No. 2:

2.1.18, 2.1.19 & 2.1.20 Delete present definitions of Dwelling , Dwelling Unit, Single Family and Dwelling Unit, Two Family and replace with these new definitions:

2.1.18 Duplex. A building containing two (2) Dwelling Units.

2.1.19 Dwelling Unit. One (1) or more rooms, including cooking facilities in a dwelling structure with accompanying sanitary facilities, designed as a unit for occupancy by not more than one (1) Family for living and sleeping purposes.

2.1.21 Change "Dwelling units" to "Dwelling Units";

2.1.22 Change "Dwelling unit" to "Dwelling Unit";

2.1.26 Insert the word "Unit" after the word "Dwelling" in four places;

2.1.54 Insert the word "Unit" after the word "Dwelling" in two places.

Renumber the definitions starting with 2.1.20;  
 3.6.A.1 Change "detached Dwelling" to "Building";  
 3.6.A.2 Change "Two Family Dwelling" to "Duplex";  
 3.7.3 General Use Provisions Capitalize "Duplex" and  
 "Dwelling Units" in five places; Change "dwelling" to  
 "Dwelling Unit" in three places;  
 5.4.1 Capitalize "Unit";  
 5.5.3 Change "Dwelling" to "dwelling";  
 5.5.4 Change "Use" to "use" and "Dwelling" to  
 "dwelling";  
 5.5.5 Change "Uses" to "uses" and "Dwellings" to  
 "dwellings";  
 6.2.f Change "Dwelling" to "dwelling" under Type of  
 Use and "unit" to "Unit" under Number of Required  
 Spaces;  
 7.3 Insert semi colons after these words: Occupations,  
 homes, schools, and kindergartens;  
 8.4.3 Change "Dwelling units" to "Dwelling Units"  
 and change "units" to "Dwelling Units" in two places;  
 8.5.2 Change "Dwelling unit" to "Dwelling Unit" in  
 two places and change "unit" to "Dwelling Unit" in  
 two places.

4. Are you in favor of Amendment No. 3 to the Zoning Ordinance as recommended by the Planning Board? This amendment will correct grammatical and typographical errors in the present Ordinance.  
Amendment No. 3:

2.1.1 Insert the word "passage" after "adequate"  
 2.18 Building: Correct number to "2.1.8" and correct the  
 spelling of "fur" to "for"; Change "Dwelling" to "dwelling";  
 2.1.21 Delete "a" between "of" and "the";  
 14.2.5 Change "13.2.1" to "14.2.1" in two places;  
 15.8.2 Change "14.8.2(b)" to "15.8.2(b)";  
 15.9 Change "14.8.2 or 14.8.3" to "15.8.2 or 15.8.3"

5. Are you in favor of Amendment No. 4 to the Zoning Ordinance as recommended by the Planning Board? This amendment will clarify the status of building a structure on a non-conforming lot of record.  
Amendment No. 4:

3.7 General Use Provisions Add a new provision:

A Lot of Record which does not meet current dimensional requirements may be granted a building permit provided that it can support the proposed structure without a zoning variance and can support the appropriate sewage disposal without waiver from the New Hampshire Dept. of Environmental Services Water Supply & Pollution Control Division.

6. Are you in favor of Amendment No. 5 to the Zoning Ordinance as recommended by the Planning Board? This amendment will alleviate the current requirement to construct a new sewage disposal system prior to any expansion of an existing use and instead will require proof of the lot's suitability for sewage disposal prior to expanding a structure.  
Amendment No. 5:

5.4 Conversion and Expansion Delete present 5.4.3 and replace with;

5.4.3 No Building Permit for Expansion of an existing structure shall be granted without proof that the lot can accommodate a sewage disposal system built to current standards of NH Dept. of Environmental Services Water Supply & Pollution Control Division.

7. Are you in favor of Amendment No. 6 to the Zoning Ordinance as recommended by the Planning Board? This amendment will allow building permits on island lots without road frontage.

Amendment No. 6:

14.2.5 Exemptions Add a new sentence: "Pursuant to RSA 674:41 II-a, island lots on islands served exclusively by boats are excepted from the requirements of RSA 674:41 I and II."

8. Are you in favor of Amendment No. 7 to the Zoning Ordinance as recommended by the Planning Board? This amendment will allow the Zoning Board of Adjustment to grant Equitable Waivers in accordance with State statutes.

Amendment No. 7:

15.5 Applications

15.5 Delete the word "or" after "special exception" and add "or an Equitable Waiver" after "requesting a Variance."

15.8.4 Renumber existing 15.8.4 to 15.8.5 and create a new 15.8.4 as follows:

15.8.4 Equitable Waiver of Dimensional Requirement. The Board shall hear and decide requests for Equitable Waivers in accordance with the provisions of RSA 674:33-a.

9. Are you in favor of Amendment No. 8 to the Zoning Ordinance as recommended by the Planning Board? This amendment will bring the wording into conformity with current statutory and case law.

Amendment No. 8:

15.8.3.a.5 Delete the present sentence and replace with "Granting the Variance would not be contrary to the public interest."

10. Are you in favor of Amendment No. 1 to the Floodplain Development Ordinance as recommended by the Planning Board? The effect of the changes is to correct non-conformities with existing regulations and ordinances and to delete sections that do not pertain to Tuftonboro's flood hazard areas.

Floodplain Development Ordinance Amendment No. 1.

In Item I: Delete the definitions of "Area of Shallow Flooding" and "Breakaway Wall" in their entirety;

In Item I: Delete the second sentence in the definition of "Regulatory Floodway";

In Item I: In definition for "Lowest floor" correct "nonAelevation" to "non-elevation";

In Item I: In definition of "Mean Sea Level" correct "communities" to "community's";

Insert a new Item II:

Item II. All proposed development in any special flood

hazard areas shall require a permit.

Renumber the existing Item II and all subsequent items accordingly;

In Item IV and Item VI: Change the words "Building Inspector" to "Codes Enforcement Officer" wherever they are found in the Ordinance;

In Item V: Delete the second and third paragraphs of this section;

In Item VI: Insert a new paragraph at the beginning of this section as follows:

In riverine situations, prior to the alteration or relocation of a watercourse, the applicant for such authorization shall notify the Wetlands Bureau of the New Hampshire Environmental Services Department and submit copies of such notification to the Codes Enforcement Officer, in addition to the copies required by RSA 482-A:3. Further, the applicant shall be required to submit copies of said notification to those adjacent communities as determined by the Codes Enforcement Officer, including notice of all scheduled hearings before the Wetlands Bureau.

In Item VI: In the third paragraph, correct "located Zone A" to "located in Zone A";

In Item VI: In the fourth paragraph, line 3, delete the reference to zone "A1A30" so that the phrase reads "within zone AE on the FIRM";

In Item VII, B.2, correct "nonAresidentia" to "non-residential";

In Item VII, B.3, add the following at the end of the existing sub-part:

Methods of anchoring may include, but are not limited to, use of over-the-top or frame ties to ground anchors. This requirement is in addition to applicable state and local anchoring requirements for resisting wind forces.

In Item VII, delete sub-part B.6.

11. To see if the Town will vote to accept as Town Roads both Shirley Way and Woodland Drive. Shirley Way labeled and depicted on a plat entitled "Plan of sub-division of Abenaki Hill Estates" approved by the Planning Board June 17, 1985. Woodland Drive is depicted on the same plat as the unlabelled road-providing frontage for lots 11, 13, 15, 16 and 17. Petitioned warrant article. Recommended by the Selectmen. (Majority vote required).
12. To see if the Town will vote to adopt the provisions of RSA 79-A: 25, II to establish a Conservation Fund pursuant to RSA 36-A:5, III. The Conservation Fund would be a separate fund, in which 50% of all land use change tax revenue, not to exceed \$5,000.00 in a fiscal year, will be placed. Recommended by the Selectmen. (Majority vote required).
13. To see if the Town will raise and appropriate the sum of Fifteen Thousand dollars (\$15,000.00) for the purchase of 9 acres, more or less, owned by Fred Sargent (tax map 32-2-16) for the relocation of the Town's septage lagoons upon closure of the Town's landfill. The Selectmen recommend and the Budget Committee approves this appropriation. (Majority vote required).

14. To see if the Town will vote to raise and appropriate the sum of Six hundred and seventy-six thousand, one hundred and eight dollars (\$676,108.00) to close the Town landfill. Of the \$676,108.00, \$402,520.00 plus all accrued interest is to be appropriated from the Dump Closure Capital Reserve fund established for this purpose at the 1989 annual meeting. The balance of \$273,588.00 less accrued interest is to be raised from taxes. The Selectmen recommend and the Budget Committee approves this appropriation. (Majority vote required).
15. To see if the Town will vote to raise and appropriate the sum of one hundred and four thousand, four hundred dollars (\$104,400.00) for the paving and shoulder work of Town roads. The Selectmen recommend and the Budget Committee approves this appropriation. (Majority vote required).
16. To see if the Town will vote to raise and appropriate the sum of Eighty-six thousand dollars (\$86,000.00) for the purchase of a fire rescue vehicle. Of the \$86,000.00, \$40,000.00 plus all accrued interest is to be appropriated from the Fire Department Fire Truck and related fire truck equipment capital reserve fund. The balance of \$46,000.00 less accrued interest is to be raised from taxes. The Selectmen recommend and the Budget Committee approves this appropriation. (Majority vote required).
17. To see if the Town will vote to open a portion of Lang Pond Road pursuant to RSA 231:81, II (b). This article would open a portion of Lang Pond Road at the Wolfeboro end of Lang Pond Road to provide access up to and including the driveway servicing, tax map 64-2-2. Recommended by the Selectmen. (Majority vote required).
18. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriation of the same, the sum of One Million Six Hundred and three thousand Six Hundred and Seventy-eight Dollars (\$1,603,678.00) as recommended by the Selectmen and approved by the Budget Committee and such sums as may be required to cover the costs of any additional items voted at the meeting and in accordance with RSA 32:8. (Majority vote required).
19. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 20th day of February, in the year of our Lord, Two Thousand and two.

A TRUE COPY OF WARRANT ATTEST:

Chester Chellman

William Stockman

Susan Weeks

Selectmen of Tuftonboro

Receiving 20% Recreation Adjustment	167.54 acres
Removed from Conservation Restriction Current Year	00.00 acres
Total # of Owners Granted Conservation Restriction	3
Total # of Parcels in Conservation Restriction	4

## 2001 TAX RATE CALCULATION

Appropriations	\$1,659,158		Tax Rates
Less: Revenues	(945,687)		
Less: Shared Revenues	(4,498)		
Add: Overlay	39,280		
War Service Credits	27,300		
<b>Net Town Appropriation</b>	<b>\$775,553</b>		
Approved Town/City Tax Effort		\$775,553	
Municipal Tax Rate			2.04

### SCHOOL PORTION

Regional School Apportionment	\$3,016,937		
State Education Taxes	(\$1,408,48)		
Approved School(s) Tax Effort		\$1,608,453	
Local Education Tax Rate			4.22

### STATE EDUCATION TAXES

Equalized Valuation (no utilities) x \$6.60			
\$368,194,785		\$2,430,086	
Divide by Local Assessed Valuation (no utilities)			
\$377,837,850			
<b>Excess State Education Taxes to be Remitted to State</b>	<b>\$1,021,602</b>		<b>6.43</b>

### COUNTY PORTION

Due to County	\$342,800		
Less: Shared Revenues	(3,721)		
Approved County Tax Effort		\$339,079	
County Tax Rate			0.89
Combined Tax Rate			<b>13.58</b>
<b>Total Property Taxes Assessed</b>		<b>\$5,153,171</b>	
Less: War Service Credits		(27,300)	
<b>Total Property Tax Commitment</b>		<b>\$5,125,871</b>	

### PROOF OF RATE

Net Assessed Valuation	Tax Rate	Assessment
State Education Tax	6.43	\$2,430,086
All Other Taxes	7.15	<u>2,723,085</u>
		<b>\$5,153,171</b>

# **Analysis of Values Assigned to Local and Cooperative School District**

Gov. Wentworth Coop

Cost of Adequate Education	\$1,408,484
%of Town's Cost of Adequate Education	100%
Adequate Education Grant	0
District's Share – Retained State Tax*	\$1,408,484
"Excess" State Taxes (Paid to State)	\$1,1021,602
Total State Taxes	\$2,430,086
Local Education Tax*	\$1,608,453

\*The cost of an adequate education is determined by the Department of Education based on weighted average daily membership in residence in each school district. Each school district's percentage of total is then calculated. Each percentage is then multiplied by the town's share of the state education tax amount to allocate a portion of the state education taxes to each school district.

The difference between the adequate education for each school district and each school district's share of the state education taxes becomes the adequate education grant for each school district.

## SCHEDULE OF TOWN PROPERTY

# INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen  
Town of Tuftonboro, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Tuftonboro as of and for the year ended December 31, 2000, as listed in the table of contents. These general-purpose financial statements are the responsibility of the Town of Tuftonboro's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the omission of the information in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Tuftonboro as of December 31, 2000, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The individual and combining fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Tuftonboro. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

GRZELAK AND COMPANY, P.C., CPA's  
Laconia, New Hampshire

# TOWN OF TUFTONBORO

## Annual Town Meeting

### March 13 and 14, 2001

At a legal meeting of the inhabitants of the Town of Tuftonboro, County of Carroll, and State of New Hampshire on Tuesday, the 13th day of March, at ten o'clock in the forenoon at the Town House, the meeting was called to order by the Moderator, Roger H. Wingate. The polls were declared open for voting and to remain open until 6 P.M. or until all present whom wish to vote have voted.

Ballots were also cast for school officers and for articles on the school warrant, as provided for under the SB2 plan. These ballots were then taken to Wolfeboro to be counted.

The result of the Town balloting under Article 1: to choose all necessary Town Officers for the year ensuing:

Selectman for Three Years	Chester (Rick) Chellman	230
Budget Committee for Three Years	William Antonucci	174
Vote for Two	Mirick Friend	180
	Anthony Lyon	141
Cemetery Trustee for Three Years	David Haeger	267
Library Trustee for Three Years	Carolyn Sundquist	261
Supervisor of the Checklist-6 Years	Barbara Southard	265
Treasurer for One Year	Maryann Gavin	256
Trustee of the Trust Funds	David Haeger	264

The results of Article 2: Are you in favor of adopting the following revisions to the Tuftonboro Zoning Ordinance as prepared and recommended by the Planning Board:

YES .....234                      NO ..... 57

### MARCH 14, 2001 – TUFTONBORO CENTRAL SCHOOL

Moderator Roger Wingate called the second portion of the 2001 Annual Meeting to order at 7:30 in the evening. The meeting was opened with a salute to the flag, followed by a prayer offered by Peter O'Neil, Minister of the Melvin Village Community Church. The Moderator announced the results of the voting on Article 1 and declared the following elected:

Selectman for Three Years	Chester (Rick) Chellman
Budget Committee for Three Years	William Antonucci
	Mirick Friend
Cemetery Trustee for Three Years	David Haeger
Library Trustee for Three Years	Carolyn Sundquist
Supervisor of the Checklist-6 Years	Barbara Southard
Treasurer for One Year	Maryann Gavin
Trustee of the Trust Funds	David Haeger

A total of 275 registered voters came to the polls to vote, and 19 residents voted by absentee ballot, representing 17% of registered voters.

**Article 2:** Are you in favor of the adopting the following revisions to the Tuftonboro Zoning Ordinance as prepared and recommended by the Planning Board: Revise Section III as follows: Add:

3.6.F.9 Telecommunications Facilities:

New Tower Construction permitted in LDR and MDR; not permitted in LKR, NHB, OSF, ISC or WTC

Collocation on an Existing Tower permitted in LDR, MDR; not permitted in LKR, NHB, OSF, ISC or WTC.

Collocation in or on an Existing Structure permitted in LDR, MDR, NHB, and OSF; not permitted in LKR, ISC or WTC

Revise Sect. 4.2 Table of Dimensional Requirements by adding Footnote 5:

For Telecommunication Facilities dimensional requirements, see Section XIII herein and also Site Plan Review Regulations.

Revise Sect. 4.2 Table of Dimensional Requirements by adding Footnote 6:

For Telecommunication Facilities height requirements, see Section XIII herein and also Site Plan Review Regulations.

Revise Sect. VI by adding the following off-street parking requirement:

6.2.o Telecommunication Facility                      One (1) space per carrier

Revise Sect. VII by adding the following:

7.2.1.c Telecommunication Facility. Signs shall be limited to those needed to identify the property and the owner and warn of any danger.

Add the following new section XIII and renumber existing Section XIII and subsequent sections accordingly:

**XIII TELECOMMUNICATIONS FACILITIES**

13.1 Authority. In recognition of the requirements of the federal Telecommunications Act of 1996 and New Hampshire RSA 12-K, this Section is designed and intended to balance the interests of the residents of Tuftonboro, telecommunications providers, and telecommunications customers in the siting of telecommunications facilities within the Town of Tuftonboro so as to ensure coordinated development of communications capabilities while preserving the health, safety and welfare of the Town and its residents. This section establishes general guidelines for the siting of telecommunications facilities to enhance and fulfill the following goals:

13.1.1 Preserve the authority of Tuftonboro to regulate and to provide for reasonable opportunity for the siting of telecommunications facilities by enhancing the ability of providers of telecommunications services to provide such services to the community quickly, effectively, and efficiently;

13.1.2 Reduce adverse impacts such facilities may create, including, but not limited to, impacts on aesthetics, environmentally sensitive areas, historically significant locations, flight corridors, health and safety by injurious accidents to person and property, and prosperity through protection of property values;

13.1.3 Provide for collocation and minimal impact siting options through assessment of technology, current location options, future available locations, innovative siting techniques, and siting possibilities beyond the political jurisdiction of the Town;

13.1.4 Permit the construction of new towers only where all other reasonable opportunities have been exhausted, and to encourage the users of towers and antennas to configure them in a way that minimizes the adverse visual impact of the towers and antennas;

13.1.5 Require cooperation and collocation to the highest extent possible between competitors in order to reduce cumulative negative impacts upon the Town;

13.1.6 Provide constant maintenance and safety inspections for any and all facilities;

13.1.7 Provide for the removal of abandoned facilities that are no longer inspected for safety concerns and Building code compliance. Provide a mechanism for the Town to remove these abandoned facilities to protect the citizens from imminent harm and danger; and

13.1.8 Provide for the removal or upgrade of facilities that are technologically outdated.

### 13.2 DEFINITIONS

13.2.1 Above Ground Level (AGL). A measurement of height from the natural grade of a site to the highest point of a structure.

13.2.2 Alternative Tower Structure. Innovative siting techniques such as artificial trees, clock towers, bell towers, steeples, light poles, and similar alternative design mounting structures that camouflage or conceal the presence of antennas or towers.

13.2.3 Antenna. An apparatus designed for telephonic, radio, television, personal wireless service facilities (PWSF), pager network, or any other communications through the sending and/or receiving of electromagnetic waves of any bandwidth.

13.2.4 Applicant. A carrier, a legally appointed agent or representative of a company authorized and licensed by the FCC to construct and operate a commercial mobile radio services system and/or wireless telecommunications services.

13.2.5 Carrier. An FCC licensed person or company that provides wireless telecommunications services.

13.2.6 Collocation. The use of an existing tower or an existing telecommunications facility for multiple purposes or users.

13.2.7 Fall Zone. The area on the ground surrounding a telecommunications facility within which there is a potential hazard from falling debris (such as ice) or collapsing material.

13.2.8 Guy wire. A cable used to secure and steady a tower.

13.2.9 Height. The distance measured from ground level to the highest point on the tower or other structure, including antennas.

13.2.10 Lattice Tower. A type of mount that is self-supporting with multiple legs and cross-bracing of structural steel.

13.2.11 Monopole. Any self-supporting tower consisting of a single pole or shaft.

13.1.12 Preexisting towers and antennas. Any tower or antenna lawfully constructed or permitted prior to the adoption of this ordinance. Also, any tower or antenna lawfully constructed in accordance with this ordinance that predates an application currently before this Town.

13.2.13 Secondary use. A use of land or of a building or portion thereof which is unrelated to the principal use of the land or building.

13.2.14 Security Barrier. A locked, impenetrable wall, fence or berm that completely seals an area from unauthorized entry or trespass.

13.2.15 Telecommunications facility. Any structure, antenna, tower, or other device that provides commercial mobile wireless services, unlicensed wireless services, cellular phone services, specialized mobile radio communications, personal wireless communications services, common carrier wireless exchange access services, and the like.

13.2.16 Tower. A structure that is designed and constructed primarily for the purpose of supporting one or more antennas, including self-supporting lattice towers, guyed towers or monopole towers. The term includes radio and television transmission towers, microwave towers, common carrier towers, cellular telephone towers, alternative tower structures, and the like.

13.2.17 Vista Termination. A site generally located along the projection of a street or highway centerline toward a site.

### 13.3 APPLICABILITY

#### 13.3.1 AMATEUR RADIO, RECEIVE-ONLY ANTENNAS

This ordinance shall not govern any tower, or the installation of any antenna that is under 70 feet in height and is owned and operated by a federally-licensed amateur radio station operator or is used exclusively for receive-only antennas. This application adopts the provisions and limitations as referenced in RSA 674:16, IV.

#### 13.3.2 ESSENTIAL SERVICES AND PUBLIC UTILITIES

Telecommunications facilities shall not be considered infrastructure, essential services, or public utilities, as defined or used elsewhere in the Town's ordinances and regulations. Siting for telecommunications facilities is a use of land, and is subject to this ordinance, the Tuftonboro Site Plan Review Regulations and all other applicable ordinances and regulations.

### 13.4 SITING STANDARDS

#### 13.4.1 GENERAL PROVISIONS

The uses listed in this section are deemed to be permitted uses in the designated zoning district in accordance with all other applicable ordinances and regulations of the Town including Site Plan Review and approval by the Tuftonboro Planning Board:

A. Telecommunications facilities may be considered either principal or secondary uses. A different existing use or an existing structure on the same lot shall not preclude the installation of a telecommunication facility on such lot.

B. For purposes of determining whether the installation of a telecommunication facility complies with the Zoning Ordinance and Site Plan Review regulations, the dimensions of the entire lot shall control, even though the facility may be located on leased parcels within such lots.

C. Telecommunication facilities constructed or installed in accordance with the provisions of this ordinance on a nonconforming lot or in conjunction with a nonconforming use, shall not be deemed to constitute the expansion of a nonconforming use or structure

#### 13.4.2 DISTRICTS PERMITTED

New tower construction and collocation of telecommunication facilities shall be permitted in the districts as indicated in Section 3.6, subject to all applicable local, state and federal regulations and Site Plan Review approval by the Planning Board. If feasible, telecommunications facilities shall be located on existing structures, including but not limited to, buildings, water towers, inside church steeples, existing telecommunications facilities, utility poles and towers, and related facilities, provided that such installation preserves the character and integrity of

those structures. The applicant for a new tower construction shall have the burden of proving that there are no feasible existing structures upon which to locate.

**13.4.3 SETBACKS.** All telecommunications facilities shall comply with the building setback provisions of the zoning district in which the facility is located. In addition, the following setbacks shall be observed:

A. In order to insure public safety, the minimum distance from the base of any ground-mounted telecommunications facility to any property line, road, habitable dwelling, business or institutional use, or public recreational area shall be 100% of the height of the facility, including any antennas or other appurtenances, plus the required setback for the zoning district. This 100% setback is considered a fall zone.

B. In the event that an existing structure is proposed as a mount for a telecommunication facility, a fall zone shall not be required, but the setback provisions of the zoning district shall apply. In the case of pre-existing non-conforming structures, telecommunication facilities shall not increase any non-conformities.

C. **Flexibility.** In reviewing the Site Plan application for a telecommunication facility, the Planning Board may reduce the required fall zone by as much as 50% of the required distance, if the Board finds that a substantially better design will result from such reduction and that the interest of the Town will be better served. In making such a finding, the Planning Board shall consider both the visual and safety impacts of the proposed use and shall require certification by a licensed structural engineer that the proposed facility will be structurally sound. In making such a finding, the Planning Board will adhere to the provisions of the Waivers Section of the Site Plan Review Regulations.

#### **13.4.4 HEIGHT STANDARDS**

A. A telecommunication facility may locate on an existing tower, monopole, electric utility transmission tower, water tower, or the like, provided that the installation of the new facility does not increase the height of the existing structure, and provided that such installation preserves the character and integrity of the structure on which it is located.

B. A telecommunication facility located on an existing structure such as a church, a barn, or the like, shall not be more than ten feet above the highest part of the structure unless the facility is completely camouflaged; for example, a facility can be located completely within a flagpole, steeple, or chimney, in which case, the increase in height of the structure caused by the addition of a flagpole, steeple, chimney, or the like shall be in scale and proportion to the structure as originally configured.

C. A carrier may locate a telecommunication facility on a structure that is legally non-conforming with respect to height, provided that the provisions of this Section are met.

D. Ground mounted telecommunication facilities shall not exceed a maximum of 20 feet above the surrounding vegetative cover within a 150 feet radius of the facility.

E. In reviewing the Site Plan application, the Planning Board may allow an increase of up to 190 feet total height provided that, based on a review of all the required submission data, a substantially better design will result from such increase and the interests of the Town will be better served. In making such a finding, the Planning Board will adhere to the provisions of the Waivers Section of the Site Plan Review Regulations.

## ENVIRONMENTAL STANDARDS

- A. No hazardous waste shall be discharged on the site of any telecommunication facility. If any hazardous materials are to be used on site, there shall be provisions for full containment of such materials. An enclosed containment area shall be provided with a sealed floor, designed to contain at least 110% of the volume of the hazardous materials stored or used on site. The applicant shall provide a contingency plan for clean-up and disposal of hazardous materials in the event of spillage or other accident. Such plan shall also be approved by the Fire Chief.
- B. Telecommunication facilities equipment shall not generate noise in excess of 50 db at ground level at the property line.

## SAFETY STANDARDS

Radiofrequency Radiation (RFR) Standards. All equipment proposed for a telecommunication facility shall be authorized per the FCC Guidelines for Evaluating the Environmental Effects of Radiofrequency Radiation (FCC Guidelines) or subsequently adopted FCC guidelines.

## 13.5 BONDING, SECURITY AND INSURANCE

Recognizing the extremely hazardous situation presented by abandoned and unmonitored telecommunications facilities, the Planning Board shall set the form and amount of security that represents the cost for removal and disposal of abandoned facilities in the event that the facility is abandoned and the owner is incapable and/or unwilling to remove the facility in accordance with Section 13.5. Bonding and surety shall be consistent with the provisions in the Subdivision Regulations. Furthermore, the Planning Board shall require submission of proof of adequate insurance covering accident or damage. Such insurance shall provide for a minimum of 30 days notice of cancellation to the Town. Absence of such insurance shall constitute abandonment of the facility.

## 13.6 REMOVAL OF ABANDONED TELECOMMUNICATIONS FACILITY

Any telecommunication facility that is not operated for a continuous period of 12 months shall be considered abandoned and hazardous to the public health and safety, unless the owner of said facility provides proof of quarterly inspections. The owner shall remove the abandoned facility within 90 days of receipt of a declaration of abandonment from the Town. A declaration of abandonment shall only be issued following a public hearing, noticed according to RSA 676:4, with notice to abutters and the last known owner/operator of the facility. If the abandoned facility is not removed within 90 days, the Town may execute the security and have the facility removed. If there are two or more uses of a single facility, this provision shall not become effective until all uses cease using the facility.

*There were 234 Yes and 57 No votes, 3 blank votes. The amendment regulating telecommunications facilities was declared passed.*

All elected officials were present, with the exception of William Antonucci, and were administered the oath of office by Town Clerk Leanora Quilliam.

The meeting proceeded with presentation and discussion of the warrant articles.

ARTICLE 3: To see if the Town will vote to make the position of Road Agent an appointed position pursuant to RSA 231:62. Effective date will be March 2002, until such time the current elected position will remain in effect. By a majority vote the Selectmen will have the authority to appoint a Highway Agent who will, under the direction of the Selectmen, have the charge of the construction, maintenance, and repair of all Town highways and bridges and the maintenance and repair of all sidewalks within the Town and shall have authority to employ the necessary men and equipment. A vote authorizing appointment of highway agent shall continue in effect until changed by major vote at an annual or special meeting. (Majority vote required).

*Motion was made by Rick Chellman and seconded by Barbara Hull to adopt the article as read. Rick Chellman opened the discussion. If the article passes, the Selectmen would have the authority detailed in the article. There would be many contractors in Town to choose from, and there would be weekly reviews of those contracted. Skip Hurt suggested the Selectmen's motivation is based on Road Agent Reg Colby's retiring in a year or two, and concern of who would be taking over the position. He feels that if a problem arises after Reg Colby resigns, then the Town should get involved. Barbara Southard asked if all the Selectmen were in favor of the change. Bill Stockman noted that he is not completely convinced, since the present system works. The Moderator asked for a vote by show of hands. The motion to adopt article 3 was NOT carried.*

ARTICLE 4: To see if the Town will raise and appropriate the sum of Seventy Thousand dollars (\$70,000.00) for the purchase of a 6-wheel Dump Truck equipped for plowing. The Selectmen recommend and the Budget Committee approves this appropriation. (Majority vote required).

*A motion was made by Chip Joseph and seconded by Rick Chellman to adopt article 4 as read. Chip Joseph opened the discussion. The dump truck in question is a 6-wheel vehicle, set up for plowing. It is similar to the type the State highway uses. It can also be used as a conventional dump truck for year round use. The Selectmen feel it is in the best interest of the Town to purchase such a vehicle. The Town owns plows and chippers and can use the truck with our own equipment year round.*

*Skip Hurt had no objection to purchasing road equipment, but this is a specific request for a dump truck. He felt that perhaps sanders or other items would be more appropriate. He feels the Selectmen are on the right track and should start a reserve fund, but he is reluctant to purchase a dump truck.*

*Further discussion followed on the Town developing a "highway department" in the future. The Selectmen have spoken to Road Agent Reg Colby and other Town contractors who agree that we should begin thinking of having our own highway department and purchasing the dump truck would be a step in the right direction. At present the plows belong to the Town, but the trucks don't. The dump truck is not standard equipment for contractors. It is better equipped and more for municipal and state purposes.*

*The Moderator requested a hand count. The hand count resulted in 69 Yes votes and 45 No's. The motion was carried to purchase a dump truck.*

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of Thirty Eight thousand, Six hundred and Fifty-seven dollars (\$38,657.00) to purchase and

equip a new four-wheel drive police vehicle. Of the \$38,657.00, \$17,512.00 plus all accrued interest is to be appropriated from the Police Vehicle Capital Reserve fund and \$2,494.00 is to come from a Federal Grant for Local Highway Safety Programs. The balance \$18,651.00 less accrued interest is to be raised from taxes. The Selectmen recommend and the Budget Committee approves this appropriation. (Majority vote required).

*A motion was made by Rick Chellman and seconded by Chip Joseph to adopt article 5 as read. Police vehicle replacement is on a six-year cycle. One of our vehicles is due to be replaced this year. The vehicle in question is fully equipped for police work. The Moderator asked for a vote by how of hands and the motion carried.*

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of Ninety One thousand, one hundred and sixty dollars (\$91,160.00) for the Special for Tar Account. The Selectmen recommend and the Budget Committee approves this appropriation. (Majority vote required).

*Chip Joseph made a motion, Gordon Hunt seconded, to adopt the article as read. Chip Joseph opened the discussion. Maintaining our roads will preserve the work already done, and would prevent culverts clogging and roads from deteriorating. Roger Wingate asked for a vote by show of hands and the motion was carried.*

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of Forty seven thousand and twenty dollars (\$47,020.00) for the completion of the engineering design/plans and the construction administration/monitoring of the landfill closure scheduled for the spring of 2002. The Selectmen recommend and the Budget Committee approves this appropriation. (Majority vote required).

*Motion made & seconded to appropriate the necessary funds for the closure of the landfill. State approval is expected by next year. A vote followed by show of hands, and the motion to adopt article 7 was carried.*

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand dollars (\$25,000.00) to construct a beach at Nineteen Mile Bay and authorize the withdrawal of these funds from the Nineteen Mile Bay Fund (Expendable Trust) established for this purpose at the 1991 annual meeting. The Selectmen recommend and the Budget Committee approves this appropriation. (Majority vote required).

*Rick Chellman motioned, Mrs. Campbell seconded, to adopt article 8 as read. The Town has held public hearings with the wetlands bureau. If we get wetlands approval, we would like to be able to work on the beach. The Moderator asked for a vote by show of hands and the motion was carried.*

ARTICLE 9: To see if the Town, pursuant to RSA Chapter 35, will vote to raise and appropriate Forty Thousand Dollars (\$40,000.00) to establish a Capital Reserve Fund for the purpose of purchasing a fire truck and related fire truck equipment. The Selectmen recommend and the Budget Committee approves this appropriation. (Majority vote required).

*Motion was made and seconded to adopt article 9 as read. Our old fire truck has needed too many repairs. A new fire truck will be needed in the future. Roger Wingate asked for a vote by show of hands and the motion was carried.*

ARTICLE 10: To see if the Town will vote for the acceptance of a certain parcel of land, containing the roads, situated in the Town of Tuftonboro, County of Carroll, and State of New Hampshire, shown as a fifty (50') foot right of way being shown on plan entitled, "Plan of Subdivision of Abenaki Hill Estates", dated April 15, 1985 by White Mountain Survey Company, Inc. which plan was approved by the Tuftonboro Planning Board on July 15, 1985 and recorded in Carroll County Registry of Deeds, Plan Book 68 and 69. Petitioned warrant article. Not recommended by the Selectmen. (Majority vote required)

*Carol & Marty Billafer reviewed the history of the development of the subdivision. The residents of the subdivision feel the road was originally built with anticipation of acceptance as a Town maintained road. In 1988 the Selectmen released the bond. At present there is a 50 foot wide clearance; the road is 24 feet wide, larger than most roads in Town. Work has been done on the road, including drainage, culverts, gravel surfaces, and dredging of ditches. They feel that the release of the bond in 1988 meant things were done in accordance with the demands set. There are 12 families living there now, out of a potential 30 lots; about 1/3 developed. Barbara Wood and Betsy Thornton also live on private roads which are maintained by the residents, as many of Tuftonboro's roads are, and do not agree that Abenaki should become a Town road. Rick Chellman and Chip Joseph presented the Town's view. Although work has been done on the road, it is not up to the Town specifications. Selectmen would not object if the road were to be brought up to specs. Approval now would set a precedent to approve roads that are not up to specifications. The Town has a booklet that states all the specification requirements. Abenaki comes close geometrically, but it is not ready yet.*

*The Moderator asked for a vote by show of hands. The motion was NOT carried.*

ARTICLE 11: To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriation of the same, the sum of One Million Three Hundred Forty-Seven Thousand Three Hundred and Twenty-One Dollars (\$1,347,321.00) as recommended by the Selectmen and approved by the Budget Committee and such sums as may be required to cover the costs of any additional items voted at the meeting and in accordance with RSA 32:8. (Majority vote required).

*The Moderator declared no additional items were to be voted on, and requested a motion to accept the budget as stated. Bill Stockman made the motion; Chip Joseph seconded. The rise in the financial administration budget from last year is largely due to the cost of health insurance, which has risen \$28,000.*

*Discussion followed on the question of \$22,000 for revaluation of Town property. This revaluation will be based on the analysis of all recent sales, and will determine which areas of Town to reassess. The analysis reveals that properties have sold for much higher than the assessed value, particularly lakefront property. The State does weekly reviews of sales and can demand a total revaluation of the Town, at an approximate cost of \$250,000, if property is consistently selling for more than assessed value. The Town has the acceptance of the state to do this revaluation. Some residents feel this is a selective revaluation of lakefront property,*

and not a revaluation of the entire Town, but the revaluation would be based on ALL sales in all areas of Town. Some residents requested a full revaluation be undertaken, spending the \$250,000 necessary to do so. Others felt we should sit tight and wait for the state to demand a full revaluation. Yet others felt it would be worthwhile, since our assessments are lower than what the properties are selling for and we should support the Selectmen in this. Rick Chellman stated that we will be looking at the entire Town and it would be a fair, legal and not selective process.

Barbara Wood requested to call the question. A vote was taken by a show of hands. The motion was carried by a two-thirds vote. The operating budget of \$1,347,321, and a warrant total of \$311,837, for a total budget for 2001 of \$1,659,158 was approved.

ARTICLE 12: To transact any other business that may legally come before this meeting.

Gordon Hunt asked that the Selectmen plead with the state about the terrible, critical conditions of our three state roads. Roger Wingate agreed and added the word "dangerous". Barbara Wood has been in touch with the State Highway Department, with little satisfaction. Route 109 has been scheduled for resurfacing, which will do little to solve the problem.

Rick Chellman informed the audience that the state has a "10-year plan", and none of our highways are on the plan. The state does have a program where the Town pays one-third and the state matches two-thirds if the Town does reconstruction of the highways. Unfortunately the cost of one mile of highway is approximately \$300,000. Thought should be given to forming a road committee to review this option.

Rick Chellman concluded the meeting giving thanks to the people who have retired from their positions: Bill Dawson for 12 years service to the Town's fire department; Linda Dawson, treasurer; Nat Crane, Conservation Commission; Ken Craigue, Budget Committee; Liz Clemens, Supervisor of the Checklist; Rod Leland, Conservation Commission; and Michelle Miller, Planning Board. Motion was made by Gordon Hunt to adjourn the meeting, seconded by Betsy Thornton. Motion was carried and meeting was adjourned at 9:30 P.M. There were approximately 150 people in attendance.

A true copy attest:  
Leanora P. Quilliam  
Town Clerk

## 2001 REPORT OF THE TUFTONBORO HIGHWAY DEPARTMENT

During the month of January, plowing and sanding was done most every day.

February maintenance continued with 24 inches plus of snow on the 5th and 6th. Ice conditions prevailed on the 9th and again on the 15th. Snow continued to fall throughout the rest of the month.

March was a very busy month plowing and sanding. A blizzard on the 5th and 6th brought about 24" of snow again and on the 22nd and the 30th, more northeasters hit us.

Dirt road spring maintenance began the beginning of April with raking and brush clearing. A quantity of sand was swept from the paved roads.

May saw record breaking heat of 91 degrees on the 2nd and summer road grading began shortly thereafter.

Trees were cut, stumps removed, and ditches improved on the Dame Road. 12" of gravel was added to a portion of the surface and that section was paved on the Ledge Hill end.

Butternut Lane was paved and culverts were replaced. Culverts were replaced on Phineas Graves Road, Ledge Hill Road, and Tupeck Lane. Roadsides were mowed as usual. Grading and ditch work was done on Sandstrom Road.

In October a new FL-80 Freightliner truck with a power wing and spreader body was purchased by the town.

A new boat launch ramp was installed next to Union Wharf and repair work was done on the Melvin River Road ramp.

I feel that Tuftonboro town roads are some of the finest around. As I have said many times before, I have one of the BEST crews there are. Many thanks to Dwight Pennell, Rick Mongeon, Ron White, Kyle Joseph, Bruce Pigott, Angela White, John Calvin, Bill Rollins, Fred Sargent, Ron Reppucci Jr. and Heather for all your help and patience.

Thank you citizens and voters of Tuftonboro for all your support and assistance.

Sincerely,  
Reg Colby  
Tuftonboro Road Agent

# TUFTONBORO POLICE DEPARTMENT

## 2001 Town Report

I am happy to report that we filled our open positions. In February, James Mullen was hired as an officer. In July, Lisa Herder was hired as the administrative assistant. Officer Mullen grew up in Tuftonboro. He studied Criminal Justice and served in the United States Marine Corps Reserve. He completed the academy and field training in August and has been doing an excellent job since. Lisa Herder has been organizing and entering department records. This has enabled us more time to patrol, which has led to an increase in traffic enforcement. She has also created and maintained the Town web pages. Another addition is K9 Koda. Koda is a Rottweiler my family adopted from the Lakes Region Humane Society. He is certified in evidence recovery and tracking. We have been used several times to locate suspects and missing property.

In 2001, we had a significant increase in the number of motor vehicle stops.

Motor Vehicle Stops	544
Motor Vehicle Offenses	581
Accidents	47

With the department fully staffed, I expect to see an increase in motor vehicle activity in 2002.

Other activity remained relatively stable:

<i>Offense</i>	<i>Total</i>
Forcible Rape	1
Simple Assault	10

In 2002, we are participating in a regional coalition to deal with underage drinking. The coalition consists of the towns in the Governor Wentworth Regional School District. It is being funded through a grant to provide education and enforcement to prevent underage drinking. The education will be directed at students and parents with the goal of reducing underage drinking. The enforcement will include paying for extra patrols. Underage drinking and accidents are safety and financial issues for the town. Hopefully, through the increased patrols, the roads will be safer and less overtime will be needed to handle these incidents.

I have been asked about September 11, the anthrax contaminated mail and the war on terror. Fortunately, we only had two reports of suspicious packages. Investigations revealed they were not contaminated. We have received training in how to respond to these events. Our costs to deal with the events to date have been minimal. The war on terror almost impacted us directly. Officer Mullen's reserve unit was activated two months after he got out. Indirectly, there has been increased awareness and appreciation of the hazards facing public safety officers.

Finally, I wish to thank you for your support. Please do not hesitate to call with information on suspicious activity or other concerns you may have.

Respectfully submitted,  
Chief Andrew Shagoury

# TUFTONBORO VOLUNTEER FIRE DEPARTMENT

In 2001 the Tuftonboro Fire Rescue Department responded to 116 Emergency Medical calls and to 187 fire related incidents for a total of 303 responses

Categories of calls included:

Brush Fire	4	Motorcycle Accident	4
Car Fire	1	Oil/Fuel Leak	1
Car/Fuel Leak	1	Other Calls	1
Chimney Fires	2	Police Assist	1
Cover Truck	19	Propane Leak	2
CO Detection/Activation	3	Service Calls	16
Electrical Problem/Fire	5	Smoke/Fire Alarm Activation	30
Fire in Building/Structure Fire	8	Smoke/Fire Investigation	17
Furnace Problem	1	Snow Machine/ATV Accident	2
Lightning Strike	2	Suspicious Item	1
Medical Assist	2	Tractor Fire	1
MVA/Car Fire	1	Tree/Limb on Wires	8
MVA (Motor Vehicle Accident)	20		
Mutual Aid Given:		Mutual Aid Received:	39
Wolfeboro	15	Cover Truck:	
Moultonborough	17	Center Ossipee	1
Ossipee Corner	2	Moultonborough	2
		Wolfeboro	16

The Department Training is conducted every Thursday of the month. The intensive recertification programs and training continue with over 1,504 hours of fire and medical training completed in 2001.

Officers of the Tuftonboro Fire Rescue Department are:

Chief Adam L. Thompson  
Deputy Chief Richard A. Piper  
Lt. Ernest Gagne.

Department Apparatus includes:

Melvin Village Fire Station	Engine 1
Winners Circle Farm (Ledge Hill Rd.)	Engine 3
Mirror Lake Fire Station (Neck Road)	Engine 2, 10-Car-1, Utility-2
Pier 19 (Summer Months)	Fire Boat 1

The members of the Tuftonboro Fire Rescue Department will continue to provide the residents of Tuftonboro and guests with quality Fire and Emergency Medical Protection.

As the Chief of the Department, I would like to first thank all of the members for their continued hard work and extreme dedication. I would also like to thank the other public safety agencies for their assistance this past year. It has been a pleasure serving the community this past year.

This year the department has placed in to service several new items to make our job safer and to be more efficient. A new set of Homatro "Jaws of Life" have been placed in service on IO-E-2 and department members were trained on the tool.

A new multi gas meter to detect Carbon Monoxide and 3 other gases was placed on 10-Car-1. A 1999 Chevy Suburban was placed in service to replace 10-Utility-1, which the department had outgrown.

The department has also placed two AED (Automatic External Defibrillators) Life Pak 500 defibs in service along with a Vital Signs Monitor which was donated to the department.

The department was able to get into the nursery school and the elementary schools this year for fire prevention week. It was a pleasure talking with and demonstrating the department's equipment and home safety to the children of Tufonboro.

The department now has 19 members, which is up from the 13 members in 2000 and is still growing.

Respectfully Submitted,  
Adam L. Thompson, Chief  
Tufonboro Fire Rescue

# COMMUNITY FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for any open burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs. Open burning is a privilege, NOT a right. Help us to protect you and our forest resource! Build small brush piles that can be quickly burned and extinguished.

New Hampshire experienced over 940 wildland fires in 2001. Most of the fires were human caused. Due to dry conditions fires spread quickly impacting more than 20 structures. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. ONLY YOU CAN PREVENT WILDLAND FIRES. Contact your local Fire Department or the New Hampshire Division of Forests and Lands website at [www.nhdfi.com](http://www.nhdfi.com) or call 271-2217 for wildland fire safety information.

2001	942	428
2000	516	149
1999	1301	452

## TUFTONBORO SUMMER SWIMMING PROGRAM, 2001

The 2001 swimming program ran from July 2 to the 28th. Over 100 children participated in the program either in lessons or swim team. The classes taught were levels 1-7 of basic swimming classes, Guard Start, and the program concluded with the certification of seven new Life Guards during the month of August.

The youngsters and the parents all seemed pleased to have had the opportunity to participate and the addition of the second instructor, Kathy Roseen was very well received.

Camp Robindel donated seven lane lines in excellent condition, as well as several kick boards and some hand paddles. This equipment was put to good use and will be helpful for years to come. The addition of the second float was most beneficial to the program.

The swim team participated in four meets, one with the Swampscott Beach Club, one with Camp Huckins, another with Camp Belknap and the final intra-squad meet that was part of Melvin Fun Day. The team has accepted an invitation from Swampscott to have a meet at their facility in 2002 and has begun thinking of fund raising ideas to fund the trip. A tentative date of July 12th for the Swampscott meet at Tuftonboro and an away meet at Swampscott on July 19th 2002 has been set.

Once again the program concluded with a Fun Day at Melvin Village with games and a treat of a Freeze Pop for all.

Respectfully Submitted,  
Mary Ann Murray

## CONSERVATION COMMISSION

The conservation commission was kept busy this year with forty-five Dredge and Fill applications, an increase of thirty over the previous year. The Commission makes site visits for every application and sends its comments on to the Wetlands Board, the ultimate decision-maker. The Board seldom refuses a permit, but often will require that the landowner modify his plans to conform to Wetlands criteria. One of the biggest permitting projects of the year was the application for the Town Beach. After negotiations between the Wetlands Board and the Selectmen, the town's plan was approved with only minor modifications, one of which was the inclusion of a small wall separating the upper sand area from the lower lake area.

During this past year the Wetlands Board has been reviewing work done under past permits and has found many not to be to permit specifications. In many instances the Board has required that the work be undone and redone as it had been originally permitted. New violations are usually reported first to the Conservation Commission for investigation and, if warranted, notification of the Wetlands Board for remedial action and/or penalties. There were seven such situations this year, often occurring as a result of people not understanding the regulations or the extent of the Wetland Board's jurisdiction. Basically, all work in or around wetlands requires a permit and it saves time and expense to be informed and to follow proper procedures.

While the permitting process occupies a lot of the Conservation Commission's time, the Commission has been able to also achieve a more pro-active

conservation role. The Commission began in the Fall of 1999 a Natural/Cultural Resource Inventory which so far has identified all town recreational land and historic public buildings. The Town-Owned Lands Committee has completed site visits to all town properties and will be preparing a report with management recommendations which will include conservation easements for several of the larger town parcels.

The largest parcel of all is the "Great Meadows", about 176 acres of wetlands along the Melvin River. The ecology of the area has been studied since last June by Dr. Rick van de Poll. The study was funded by a \$5,880 grant from the N.H. Land and Community Heritage Investment Program and by \$3,200 in matching funds from the town's Conservation Fund. Tuftonboro was one of only twenty-nine towns to receive funding in the first round of this new State conservation/preservation program. Dr. van de Poll presented a program on his "Great Meadow" research on Wednesday, Feb: 27th at 7:30 p.m. in the Tuftonboro School cafeteria.

The Commission has also recently sponsored a "Cost of Community Services Study" by an AmeriCorps member funded by a grant from the Lake Winnepesaukee Association. Through interviews with town staff and review of town records, the study allocates town revenue and expenditure to each of three land use categories: commercial/ industrial, residential and open space. The study, soon to be finished, will be a snapshot of the year 2000 and should be useful in evaluating the role of each land use category as Tuftonboro plans for its future.

This Spring the Commission regrettably accepted the resignation of Nat Crane as Chair of the Conservation Commission, a position he had held for twelve years. His increased professional responsibilities led him to feel he could not give enough time to the expanding work of the Commission. At the March 19th meeting the Commission elected Ann Hackl to be the new Chair and Kris Kenison to be Vice Chair.

Respectfully submitted,  
Ann Hackl, Chair

## PLANNING BOARD REPORT

In 2001 the Planning Board has been busy with our work on ordinances and regulations. We often met every Thursday, instead of the regular first and third, to continue work on rewriting the Subdivision Regulations in addition to the usual agenda of holding public hearings on applications. We also redefined some terms in the Zoning Ordinances, which will appear on the 2002 ballot at Town Meeting. A warrant article was written to exempt island properties from RSA 674:41, I & II. This will also appear on the 2002 ballot.

Early in the year we held a public hearing for a new section of the Zoning Ordinance regarding Telecommunications Facilities. We also held a joint meeting with the Zoning Board of Adjustment to familiarize the members with the new ordinance. Subsequently, this was voted on and approved at Town Meeting. Following this we held another public hearing to review the new Site Plan Review criteria for telecommunications facilities. We also met with Dave Senecal, Code Officer, to review our ordinances and regulations to clarify their meanings and intents.

Susan Weeks met the National Flood Plain Insurance representatives regarding suggested changes in our ordinances. These changes were made and public hearing was held regarding the changes.

Members of the board continued to attend the Municipal Law Lectures to keep current on changes in our state regulations.

Barbara Wood was appointed to the Planning Board. Mirick Friend was elected chairman and Ted Wright was elected vice-chairman. Wilson Stewart became an alternate member after being a regular member for a number of years.

Finally, during the year the Planning Board approved one lot merger, three subdivisions with a gain of thirteen new lots and two boundary line adjustments.

Special thanks go to board members Wilson Stewart, Ken Cookson, Tony Lyon, Ted Wright and Barbara Wood (and their families) for their time and energy. And very warm appreciation is extended to Susan Weeks for her dedication and erudite leadership as Chair for a number of years and also for her many hours of work away from the meeting table.

Mirick Friend  
Chair

## BOARD OF ADJUSTMENT REPORT

2001 was an unusually busy year, hearing 13 applications. Seven were requests for a variance for setbacks, six were granted, the other one denied, applicant had enough room to build his garage elsewhere on his property. Three applications for expansion of nonconforming use. Two wished to expand "up" (second floor) with no change in footprint. Both granted. The other was to change the use in a nonconforming building. Denied. Two applications for gazebos on existing nonconforming lots that were small and setbacks could not be met. Both parcels could not have any other structures. The Court issued opinion of Simplex Technology vs Town of Newington that changed the standard for granting a zoning variance concerning hardship. You cannot deny a person the reasonable use of his property. The landowner must now demonstrate the restriction interferes with their reasonable use of the property considering its unique setting. These two applications were granted with conditions. The last hearing of the year involved RSA 674.41; No building permit to be issued for the erection of a building unless the street giving access to the lot shall have been accepted by the local legislative body. (A subdivision approved by the Planning Board or roadway approved by the Town). Code Officer denied permit. Applicant appealed the Administrative decision to the ZBA. Approval was given based on the fact that a subdivision had been approved that showed the access. You will see a Warrant article this year concerning this RSA for island lots that have no road access!

Board members are: Chris Coulter, Dave Eaton, Neil Hanson, Tony Lyon, Bob Murray, Arthur "Chip" Worthington.

Respectfully submitted,  
Chip Worthington  
Chairman

# CODE ENFORCEMENT OFFICER

## 2001 Report

### CODE ENFORCEMENT

Building Permits	148
Electrical	61
Plumbing	19
Certificates of Occupancy	25
Signs	1
New Houses	38
New House Value	\$6.5 Million

This year was again very busy. There were only 6 residences taken down and new ones built. These are not included in new houses. About 40 percent of the new houses were modular built.

There is now a statewide building code just passed in Concord. It is the International Codes by BOCA and others.

My office hours are Monday from 8:00 AM to 12:00 PM at the Town Office Building.

David A. Senecal  
Code Enforcement Officer  
Health Officer

## REPORT OF THE TRUSTEES OF THE TRUST FUNDS

During 2001 the Trustees of the Trust Funds for the Town of Tuftonboro managed the following funds:

1. Dump Closure Capital Reserve Fund
2. Nineteen Mile Bay Beach Capital Reserve Fund
3. Police Cruiser Capital Reserve Fund
4. Fire Truck Capital Reserve Fund
5. Charles Davis Fund
6. Leon F. Shepherd Scholarship Fund
7. Tomb Library Fund
8. The Tuftonboro Scholarship Fund

In managing these Funds, the interest from the Leon F. Shepherd Fund was distributed to six (6) Tuftonboro students for continuing their education; the Davis Fund earnings were given to four (4) residents over seventy years of age; the Tomb Fund earnings were transferred to the Tuftonboro Free Library Board for the purchase of books; \$25,000 was paid to the Selectmen from the Nineteen Mile Bay Fund; \$17,890 was paid to the Selectmen from the Police Cruiser Fund; \$40,000 was deposited into the Trustees Capital Reserve Account designated for a new fire truck.

The Tuftonboro Scholarship Fund, created in 1999 is being allowed to grow at this time. Contributions to this fund would be welcome.

Investments of funds are currently held in the New Hampshire Public Deposit Investment Pool with the exception of the Tomb Fund that is invested in a conservative Mutual Fund.

Barbara L. McClure  
David Haeger  
Ann Hackl

## REPORT OF THE TRUSTEES OF THE CEMETERY TRUST FUNDS

The Cemetery Funds were invested in New Hampshire Public Deposit Investment Pool. The interest earned from these funds was given to the Selectmen to cover the cost for maintenance and upkeep of the cemeteries under the Trustees' care. The Trustees are responsible for turning the water on and off at the Town Cemetery, seeing that the cemeteries are maintained, and answering any inquiries that affect the cemeteries.

This year with funds voted at the Annual Meeting a new water system was installed; a Cemetery Sexton was hired to assist with burials and stone placement; and a section of the Town Cemetery was divided into plots for the interment of cremated remains.

Barbara L. McClure  
David Haeger

## TUFTONBORO FREE LIBRARY

### Annual Report for 2001

The library was open 253 days in 2001, posting total circulation of 20,554. This is a 16% increase over 2000, and an all-time high for the library. Patronage increased by more than 11%, with 197 new library cards issued. We answered 350 reference questions using library resources and the internet. Patrons also spent 387 hours on the internet using our public access computers. We added 2,336 books and other materials to the collection, and discarded 1,078. The total collection now stands at 18,630 items.

We lost two staff members and gained one this year. Mary Bagg, who had worked for the library for 10 years, left in June when her family moved to New York. We miss her sense of humor and her ability to remember patrons' library card numbers! Also in June, Jan Croteau, who had job-shared since late 1999, and arranged many of the library's popular art exhibits, ceded her hours to Maggie Croteau. Maureen Martell, who had worked for the library from 1997-1999, returned in June to take up the position of Desk Assistant once more.

Again this year, our dedicated volunteers helped out at the desk, shelved books, bagged trash, and worked on many special projects. Adult volunteers Peggy Bashe, Nancy Gallagher, Veronica Leipert, and Jane Melanson, and student volunteers Randy and Travis Lawrence-Hurt contributed 282 hours of their time, which amounts to over 20% of the library's total open hours for the year. Outside, the Newcomers Garden Club planted and maintained our annual cutting garden, which provides beautiful flowers all summer both for the library and for patrons without their own gardens. We're grateful for all of these volunteer contributions.

Our major capital improvement for 2001 was the addition of three window air conditioners in July - two in the main library and one in the meeting room. They were most welcome during an extremely hot summer season, and many patrons who came in for a quick trip stayed to cool off!

Library programs this year included twice-weekly pre-school Story Hours, and a popular Summer Reading Program for older children featuring two special workshops and performances. The first and third grades visited weekly throughout the spring, with the first graders enjoying a Great Pizza Read-off to celebrate their times at the library. Thanks to Mike Wade for the pizza, and also for providing pizza for the annual Haunted Trail in October. The Trail was a huge success again this year, thanks to the efforts of Mike Martell, Jr., who organized a volunteer group of high school students and parents to groom the trail, make costumes, carve pumpkins, string lights, and clean up. Once again, Caravans Contra Dance Band played for more than 250 people who came to walk the trail. Ed Fayle returned to the library in December for the third presentation of "the first gift of Christmas", a reading of "The Polar Express" with bells and hot chocolate for all.

The Friends of the Library moved their Book & Bake Sale back to the library in July, and it was the most successful fundraiser in recent years. The FOL also sponsored a very popular program for their annual meeting in August, featuring NH author and humorist Rebecca Rule. Again this year, the Friends purchased "newborn books" which honor every child born to Tuftonboro parents in the previous year, and they also funded the free passes to local and regional museums and galleries, which are especially appreciated by patrons with visiting families. The Friends also provided matching funds for a grant from the Children's Literacy Foundation (CLiF), which purchased about 100 new books for the juvenile collection.

In addition to the CLiF grant, the library received gifts and matching grants from the Eaglemere Foundation and Fleet Bank, which supported major purchases for the children's fiction, nonfiction, and reference collections. The Mirror Lake Community Church contributed generously to the library's program and collection budgets, and provided matching funds for our annual Santa Claus book fund. Dan's Garage again donated to the library in honor of their customers, providing more than 20 new, unabridged audiotapes. The Hurlburt Fund and the Governor Wentworth Arts Council again supported diverse programs and collection purchases. Two trust funds, the John J. and Edith P. Hoppin Fund and the Tomb Memorial Fund, generously supported Collection Development and Staff Development and Continuing Education. And literally hundreds of patrons donated books, videos, magazines, CDs, and cash to support library programs and services.

Thanks again this year to all of our patrons for keeping us so busy! Thanks to the Trustees for their support and encouragement. And thanks to a dedicated, good-humored, and hard-working staff: Jen Caldwell, Maggie Croteau, Lucas Lawrence-Hurt, and Maureen Martell.

Respectfully submitted,  
Lindalee M. Lambert & Christie V. Sarles  
Co-Directors

**Serving Coos, Carroll & Grafton Counties**

**5 FOLSOM ROAD, CENTER OSSISPEE, NH 03814**

**(603)539-4165 - Toll Free 1-888-842-FUEL (3835) - Fax (603)539-9592**

To the SELECTMEN and RESIDENTS of the Town of TUFTONBORO:

The Carroll County Community Contact office is a private, non-profit Community Center for Family Services and Referrals that was established in 1984, operating from our base at 5 Folsom Road, Center Ossipee, New Hampshire. We have nine regularly scheduled satellite office sites located throughout Carroll County.

The Carroll County Community Contact office has provided services for 476 of Tuftonboro's residents, processing 70 fuel applications, 28 being elderly, 152 receiving fuel benefits and linked 226 with other Community Action Programs.

TRI-COUNTY COMMUNITY ACTION HAS SPENT \$78,214.00 ON  
TUFTONBORO CITIZENS BETWEEN JULY 1, 2000 AND JUNE 30, 2001

Community Contact is dependent upon funding from your town and neighboring communities county-wide to provide necessary services for the less fortunate citizens in our communities. The local funds are combined with the Community Services Block Grant, Fuel Assistance, New Hampshire Emergency Shelter Grant, Homeless Programs, EFSP, McKinney, and private and corporate benefactors. We also are the conduit through which the USDA Surplus Food is distributed to the 10 food pantries and 3 dinner bells, a group home and a nursing home throughout Carroll County in order to serve our residents.

Carroll County Community Contact is known as a family friendly agency. Our staff has the trust of the entire county. We are able to successfully partner with individual families and assist them one-on-one to identify barriers blocking the way to self-sufficiency and the resources to overcome these barriers. We provided information, referrals and assisted with advocacy for more than 16,716 households in Carroll County last year.

We have greatly appreciated the support, cooperation and partnership with your elected officials, staff, and residents, as well as other social service agencies, and our clients.

Much appreciation,

Marge M. Webster  
Carroll County Community Action  
Director of Development

## VNA - HOSPICE Town Report

The Visiting Nurse Association-Hospice of Southern Carroll County & Vicinity, Inc. has been providing home health care services in this region for over 55 years. We are an independent, not-for-profit Agency that is licensed by the State of New Hampshire and certified by Medicare. The Agency has three main programs that could provide services to an individual throughout their whole lifetime. The three programs include Home Health Care, Hospice Care and Maternal Child Health Care (MCH). We are proud to provide skilled nursing care, psychiatric nursing care, physical therapy, occupational therapy, speech therapy, social work, personal care, homemaking services and companion and vigil services through our volunteers. Our Hospice Program also includes counseling services, sudden death care, bereavement care and spiritual care.

The goal of VNA-Hospice is to provide all the residents in Southern Carroll County and Tuftonboro with the best home health care and hospice care available in the comfort of their homes. The Board of Directors and the staff of VNA-Hospice want to thank the residents of Tuftonboro and all of our other service area towns for their continued support. We would not be able to provide the level of services that you or your loved ones need and deserve without this support.

There are over 65 people employed by the VNA-Hospice including our office staff and professional staff. The main office is located at Huggins Hospital and is open from 8:00 a.m. - 5:00 p.m., Monday thru Friday. The staff made over 35,000 visits this past year.

Home Care Visits	2766
Hospice Visits	72
Maternal Child Health Visits	<u>127</u>
Total Visits Made to Tuftonboro Residents	2965

The VNA-Hospice continues to try and be a health care advocate for your health care needs at the local, state and national level. We maintain memberships in national and state organizations and even more important we maintain relationships at the local level in such groups as Service Link, Committee on Aging, Health Education Network, Health & Wellness Council of Southern Carroll County, Winnepesaukee Coalition and Meals on Wheels.

Thank you for being there for us. We are proud of our relationship with Tuftonboro, and will be glad to provide you with all of your home health care - hospice care needs.

Marilyn Barba, MS, RN  
Executive Director
